## PRIMARY FUNCTION

You will primarily be forming letters to advance discussions on employment equity. There will be a significant amount of letter writing. You will be briefed on priorities and will be forming drafts addressed to the attention of various government officials, elected representatives, and various organizations on behalf of the PSAEE. It is important work.

## SKILLS

- **Advanced** knowledge of English language syntax and semantics
- **Refined** ability to form nuances in meaning

## VALUABLE UNDERSTANDINGS::

- Up-to-date on present cases and news of hiring discrimination in the public service (you will learn more about this in any case)
- Understanding of interpretive approaches to written works (textualism, originalism, purposivism) and recognizing the civil rights implications of adopting one style over another
- Advanced knowledge of the public service hiring process
- Lived experience with discrimination in hiring
